

To the friends of ASAP Africa – Spring Update!

In Malawi the “Chimvano pa Chuma” – Unity for Economic Growth – 3 year Village Savings and Lending (VS&L) project is now in its second year. With over 6,000 active members, the momentum keeps growing stronger each month. To read success stories from ASAP Africa Malawi [click here](#).

In Feb. the ASAP Africa Zimbabwe Team built the capacity [5 Zimbabwe based organizations](#) by training them to implement the VS&L rural micro-finance project. ASAP’s work to [improve math education](#) as well as VS&L project partnerships with CARE, Catholic Relief Services and Plan International continue. If you or someone you know would like to get involved in our work, please consider holding a “Light the Way” event for ASAP; for more information [click here](#); for University internship information [click here](#).

As always, we appreciate your interest and support, if you donated directly, in-kind, through your [Combined Federal Campaign Aid to Africa Federation](#), [Global Giving](#), [Universal Giving](#), through purchasing African Art and Artifacts through from [Africa Direct](#), or pray for ASAP, your support makes our work possible.

Please remember to bookmark ASAP’s [Blog](#) and [Facebook group](#) to keep up with ASAP events regularly. Thanks again for your interest.

Warm regards,

Elizabeth Bara & all ASAP staff
