

Dear Friends of ASAP

Thank you for being a part of ASAP. Your continued support makes our work possible.

Happy Valentine's Day!

Special thanks to our friends at The International Foundation for providing seed-money for ASAP's new [Tools For Empowerment Project](#).

### TOOLS FOR EMPOWERMENT - Investing in Youth

Beginning in March, if you are near Peachtree City, GA, you can give a vocational school graduate in Haiti hope for the future by just donating your used tools and building materials. They may look worthless to you, but can be a game-changer for a young vocational graduate in Haiti.

Call (678) 333-5925 to arrange drop off, collection or to hold a tool drive for ASAP at your school or church.

Go ahead – do something amazing!
