

Thanks again to all our Friends!

You made Trick-or-Treat For Tools a tremendous success again this year. A special shout-out to [St. George's Catholic Church in Newnan, GA](#) , and to these businesses for promoting the campaign.

Roland & Maggie Roger from St. George's asked for tool donations and their parishioners answered the call – donating 100's of tools to help youth in Haiti.

Your donations to ASAP's '[Tools For Empowerment](#)' project help entrepreneurs in Haiti work themselves out of poverty. Here are some pictures of students receiving tools from ASAP's previous shipment.

Graduates in Haiti received Tools For Empowerment – that you donated to ASAP

Thank you again – we cherish your interest in our efforts to cultivate self-reliance. Using our abundant, precious resources wisely and sharing our time, skills, and good intentions - together we can make the world a better place. Thank you again for your interest and your generous support.

Sincerely,
 Tom Arsenault
 ASAP President
