

Dear friends of ASAP,

Spring has sprung – a glorious time of new beginnings!

### **Your tool donations set sail to help families in Haiti!**

A 20-foot shipping container, filled with over 2,000 recycled and refurbished tools that you donated, set sail to Haiti. Future Haitian auto mechanics, carpenters, welders, electricians, plumbers and builders thank you. After two years of study, vocational graduates will be awarded these tools, to put their newly acquired skills to work to earn a living and provide desperately needed services to help rebuild the nation.

### **Peachtree City 2nd annual tool drive**

Big thanks go out to [The Holy Trinity Catholic Church](#) parishioners in Peachtree City, GA . In 2014 they helped launch ASAP's Tools For Empowerment project on Mother's day. This year, throughout May, they will hold their 2<sup>nd</sup> annual tool drive. Donate your unwanted tools and help give self-reliance and hope to a family in Haiti. Drop your unwanted tools at the vestibule the church located at:

101 Walt Banks Rd. Peachtree City, GA  
[Click here](#) for a map.

### **Donate tools any time. Call (770) 632-7451.**

ASAP's workshop for Tools For Empowerment

341 D-Bob Industrial Dr. Suite C.

Peachtree City.

[Click here](#) for a map.

Your donations are appreciated anytime – but please call to arrange a drop off. (770) 632-7451. A donation box in the front of the shop in case no one is there. To arrange for a collection in Peachtree City call 770-632-7451.

[Holy Trinity will hold their 2nd annual Tool Drive for ASAP during May](#)

### **Volunteers needed**

Please consider volunteering to help ASAP refurbish tools and pack tools for entrepreneurs in Haiti.

Thank you again – we cherish your interest in our efforts to cultivate self-reliance. If you are a member of the [National Christian Foundation](#) please make ASAP one of your favorite charities.

Have a safe and happy Memorial Day.

Sincerely,

Tom Arsenault,

ASAP President
