New partnership with Hopewell UMC in Tyrone GA

Steve West and Roni Fody of Hopewell UMC

Spring – a glorious time of new beginnings! [The Hopewell United Methodist Church](#) made the arrival of spring extra special. They held their first annual 'March for Tools For Empowerment.' The generosity for this tool drive was awesome.

Thanks to everyone who donated – from ASAP, as well as from future auto mechanics, carpenters, welders, electricians, plumbers and builders who will benefit from the amazing tools donations.

Thanks again to Revered Billy Beard, Steve West and Roni Fody for making it happen!
