

Dear Friends of ASAP,

Haiti, Dominican Republic, El Salvador.  
Vocational school graduates in these countries send their gratitude to you, our donors & volunteers, for providing the tools for success through [Tools For Empowerment](#). Now, after a phenomenally successful three-year pilot project, we have a new home in Newnan GA. Thanks to [Nelson Gammans](#) for generously providing a space from

where our work can flourish in 2018.  
Our new address will be:  
1 Beavers Street, Newnan GA.

Trinity Christian School NHS members help move *Tools For Empowerment* to our new location in Newnan, GA. Special thanks to Jeff Sevigny (left).

Special thanks to Jacob Richardson and the National Honor Society from [Trinity Christian School](#). This amazing team of young adults helped relocate the *Tools For Empowerment* workshop. Witnessing their diligence and drive leaves no doubt - the future of our world is in competent hands!

[Trick-or-Treat for Tools](#), ASAP's annual tool drive, is in full swing. Big shout-out to Pam Weir at the [First Presbyterian Church in Peachtree City](#). This year the preschool, [Coram Deo Classical School students](#) and Scout troops (both Boys and Girls) are all participating. Also, to the Youth Ministry at [Holy Trinity Catholic Church](#) for including *Trick-or-Treat for Tools* in their Fall Fling again this year. All these children are helping ASAP improve lives around the world, one tool at a time.

Our vision is a world without poverty. By working in fellowship to cultivate self-reliance – sharing our time, talent and treasure – our world is a better place. We cherish your interest and support.

Sincerely,  
Liz Arsenaault

*Trick-or-Treat for Tools*, ASAP's annual tool drive, is in full swing.
