Tools For Empowerment

Dear Friends of ASAP,

As the leaves begin to change and the cool air settles in, we're excited for the new season! At ASAP, we've had an exciting few months filled with meaningful projects and community support, and we're eager to share the latest updates with you!

New This Season

ASAP's exceptional volunteers: Gary Austin and Jay Davis, making a difference!

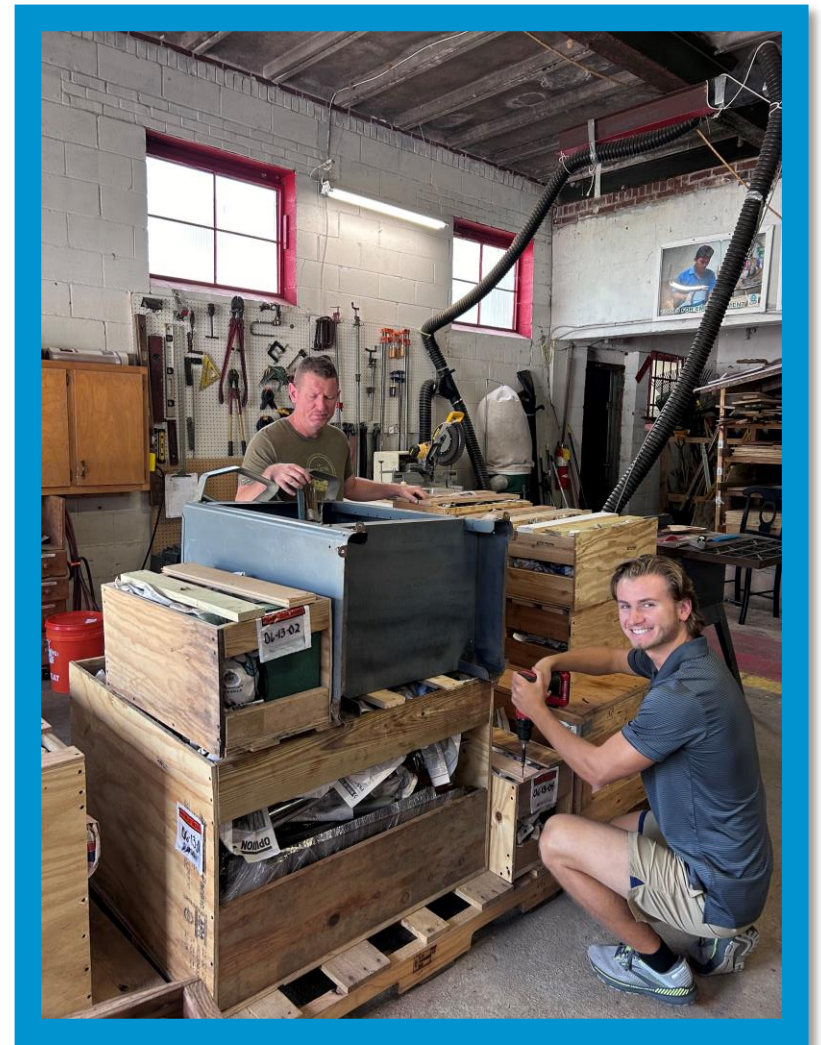

Calling all Volunteers ASAP is in need of volunteers to help us reach our November goal of shipping a 40-foot container to the Dominican Republic — and we're just three pallets away! Volunteering with us helps vocational school graduates, around the world, receive the educational materials they need for success! ASAP holds volunteer opportunities on Wednesdays and Saturdays, with additional days and times available by arrangement. To set up an on-site workday at your school, club, or church, please call or text 770-632-7451 or use this link to sign up:

Families spending time together volunteering!

A Heartwarming Thank You ASAP wants to thank Fayetteville Baptist Church for hosting Tools for Empowerment at The Fairburn Baptist Association's Annual Mission Fair on August 17th! We had two exceptional volunteers, Gary Austin (Pictured on the left) and Jay Davis (Pictured on the right), raising awareness for ASAP at the fair.

Thank you

One last thank you to everyone who contributed this season — your support fuels our mission! Donors, sponsors, and volunteers make our work possible. At ASAP, we are dedicated to transforming lives, one tool at a time.

Have a wonderful Autumn!
